## Brighton

Refurbishment of a 1830s residential house within a conservation area

Client: Private

Construction value: £85,000

Completion: 2016

Size: 100 m<sup>2</sup>

Internal and external refurbishment of a three storey Georgian terrace house in the centre of Brighton.

The scheme involved detailed discussions with the Conservation and Planning Officers to ensure the extensive remodelling of the property and external restoration of the building were successful.
